From the Principal's Desk

Quality Work!

In the last few weeks I have been inundated with quality work. For those of you who follow our Facebook page you will be able to see the examples of the primary students whose work has been brought up to me and, let me tell you, some of it is brilliant! Some are students who are reading and writing well above their stage level and others are students who have improved so much that they deserve the rewards that the school gives to students who achieve high level results.

In the high school the quality work has been seen in exams with many students achieving way above any previous levels. It's heartening to see so many of the students now beginning to study and prepare for their exams, we have seen them working harder in engaging more in class throughout the year and is fantastic to see this effort is being rewarded with better exam results.

Remember students at Lightning Ridge Central School compete with students from all over the state once they leave school and move into the wider community. While it is terrific to be number one at Lightning Ridge Central School our secondary students are now seeing that doing your best is the only way to be truly competitive outside of Lightning Ridge. What a great start for a successful future.

With the school year rapidly drawing to a close it's time to remind everybody that the **final day of school is Wednesday, 17 December** and until then our expectation is that every student will be here ready to learn until the last day. For this reason teachers are working hard to develop and engaging programs of interesting and educational work to help students get the best out of this year and also prepare for next year. **If your child is absent from school they will be missing out and as usual they will need to explain their absence within seven days. If you would like to come and see me about absences or anything else please ring and make an appointment.**

Our school welfare and discipline system specifies the consequences for students who do the wrong thing and we try really hard to be very consistent and fair with this all throughout the year. There are rewards which are outlined in our welfare and discipline system for students who behave very well, live up to expectations or work hard throughout the year and we try very hard to be consistent and fair by making sure the students get the rewards that they have earned. This is one of the reasons

From the Principal's Desk

the end of the year is so busy. Students are attending heavily subsidised excursions to Copeton dam, pool parties, movies in Narrabri, discos and a range of in school treats. These rewards are only available to students who have earned them and fortunately that's most of our students.

Some of our students are having an extra special treat. Our Girls Aboriginal Dance Group has been invited by Royal Far West Foundation to attend a special function in Sydney where they will perform before a large audience. The girls will be travelling with Jo Parker, their dance teacher, and a few lucky parents. While it's a long way to travel to Sydney and back the girls will also be going to Taronga zoo, travelling on a ferry and lots of other exciting things to make the trip worthwhile. This is a very special function and being able to show their terrific performance to the many Sydneysiders who have probably never seen dancing of this quality before.

Last weekend we were fortunate to have Mr Bob Fuller, a researcher from Macquarie University in Sydney, come back to hand back the knowledge gained in his latest research project. Mr Fuller has been looking into traditional aboriginal astronomy. His research has shown an amazing complexity and understanding in traditional astronomy that, over many thousands of years, indigenous people have built up observing, studying and applying their knowledge to the stars and our natural world. I was amazed with the complexity and accuracy of traditional astronomy and how it was used for navigation as well as predicting seasons and other natural events. Mr Fuller and his team also set up three telescopes so that locals could go stargazing on Saturday night and it was a magnificent success. The clouds went away, and the night sky was full of beautiful stars and planets to look at and with experienced astronomers to explain what we were seeing the students and families who came along received an excellent introduction to the fascinating world of stargazing.

We look forward to our presentation Day on December 5th and would like to invite all parents, carers and friends to come along and share this wonderful event with students and staff. At the end of the year it is always terrific to see and hear how many of our students have excelled.

Moorambilla Voices Outback Choir

In 2013, the primary choir was filmed as part of a ABC documentary. Outback choir tells the story of these wonderful children, their musical achievements, the resilience and capacity of the region. The documentary features the Lightning Ridge community and many local children.

Primary Report

Penny Lehman - Assistant Principal

Proud and Positive in the Primary Department.

Silver, Gold & Opal Reward Disco— Friday 21st November seen the Reward Disco for students whom have achieved their Silver, Gold or Opal Award. Entertainment was provided by DJ Grassy. Students who attended said they “the Disco was lots of fun” and they “had a blast!”

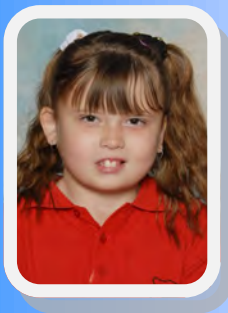

Parent Teacher Interviews— Notes will be sent home this week inviting Parents to meet with your child’s teacher, to discuss their progress this semester. Parents will need to select 3 times that will be suitable and return the notes to the **CLASSROOM TEACHER** ... not the front of- fice. The classroom teacher will then indicate which time will be most suitable.

Hot Weather— As the days are getting hotter, a reminder to parents that Students need to bring a hat and water bottle for outside play at school.

Reminders

- 05/12/14 Presentation day
- 08/12/14 Books in Homes presentation
- 09/12/14 K-6 Merit Assembly
- 10/12/14 Year 6 Farewell
- 11/12/14 Stage 3 pool party
- 12/12/14 K-6 Opal Award Pool party

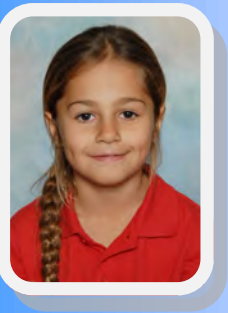

Primary Student of the Week

Week 7 MCT

Kirra Scott

Kirra has has been nominated Student of the Week as she has shown great improvement in all areas of her learning this term. Great Work Kirra!

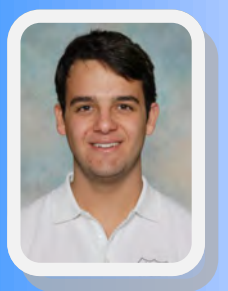

Primary Student of the Week

Week 8 S2S

Tilah Ciprian

Tilah has been nominated for Student of the week this week for her efficient completion of tasks, positive and supportive attitude. Well Done!!

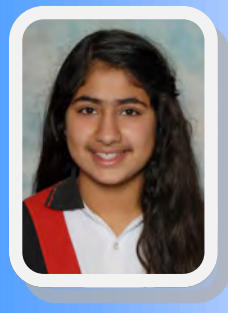

Secondary Student of the Week

Week 7 Year 11

Stevan Kotru

Stevan has shown impressive entrepreneurial skills while selling items to fundraise for his grade. He has also been doing a fabulous job in presenting speeches for a variety of school events and participating in extracurricular activities.

Secondary Student of the Week

Week 8 Year 7

Hareem Sohail

Hareem is a consistent student who has achieved outstanding results in her Yearly Examinations. She is committed to all classes and is an excellent role model for her peers. Congratulations Hareem.

Library News

Hello,

When I started writing things on a 2015 planner I knew that time was ticking away. Teachers are always getting ready for the next thing and as parents you would know that planning **helps your family's life and operation too. Some things have to be planned well in advance.** I have an author for next year, Tony Bones Performance and know the direction for my **Library/RFF programme. I have also done most of my Christmas shopping...but that's just me!!** Potts Point Bookshop in Sydney is a great bookshop and they will gift wrap if you want to give them a call for Christmas presents.

The Stage 1 students will receive their **Books in Homes** books at a presentation in the library from 9.30 –10.30 on **Monday 8th December.** Come if you can!

The **LRCS Reading Challenge** finishes on **Thursday 4th December** and the party is the following Monday 8th December. Late entries will get a certificate but not be able to come to the party.

Library Turtle Draw winners recently have been:

Week 3

ES1 Levi McCabe ES1T (Book: Wow! Dinosaur)

Stage 1 Travis Smith S1W (Magazine Voucher)

Stage 2 Billy Roy Frail S2G (Book:How the Kangaroo Got their Tails)

Stage 3 Josh Doctor S3M (110 Inventions in History)

Week 4

ES1 Caleb Peters ES1T (Magazine Voucher)

Stage 1 Quintin Bolton – Cubby S1M (Book: Me and My Dad)

Stage 2 Ava Seaton S2S (Canteen Voucher)

Stage 3 Elva Cran S3M (Canteen Voucher)

Stage 3 Chloe Brain S3L (Book: King Pig)

Week 5

ES1 Lennie Frail ES1B (Book:Puppy)

Stage 1 Taylor Morgan S1M (Book: Love is in the Air)

Stage 2 Ava Seaton S2S (Book: Selection of Magazines)

Stage 3 Feli Ciprian S2/3D (Book: Amazing Giant Sea Creatures)

Week 6

ES1 Olwyn Flick ES1T (Canteen Voucher)

Stage 1 Markell McBride S1F (Canteen Voucher)

Stage 2 Ashton Murray S2G (Book: 1931 Do You Dare?)

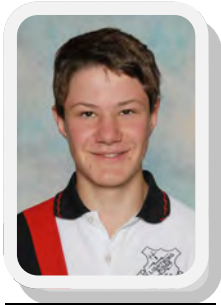

Josh Doctor with the book he chose from our selection of DK Learning books which we received from Books in Homes. He appeared on the Books in Homes website too. What fun!

Peer Mediation

Angus Hallett

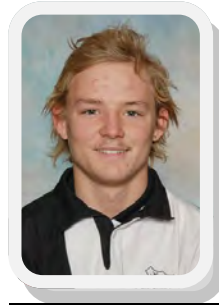

Logan Bevan

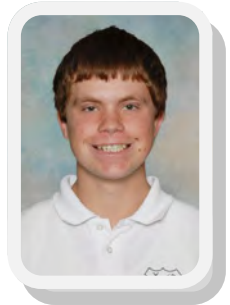

Camille Babar

Jessica Saxelby

Lachlan Lawson

Zach Webb

Earlier this year the students above were identified and then trained as peer mediators at Lightning Ridge Central School. Peer Mediation involves one or two trained students assisting other students through confidential structured process to reach the resolution of a dispute. The peer mediators systematically isolate issues in order to develop options, consider alternatives and have disputing parties reach a settlement that will accommodate their needs. The process that the peer mediators take participants through empowers the students involved to take responsibility for making decisions that will directly affect them.

Peer mediation is an early intervention strategy that teaches students the skills they need to resolve conflicts non-violently. It shows them ways that will enhance their relationship and allow the use of conflict in a productive and positive manner.

The benefits of peer mediation can be far reaching. For students it provides a safe place in which they can discuss issues and adjust their position without any unacceptable loss of face. For the School, there is generally a more co-operative atmosphere with an overall increase in the self esteem of the school community. Finally for the community there are long term benefits for the broader community with students emerging from Lightning Ridge Central School with a wide range of positive social skills.

If you are a student and wish to have an issue go through the resolution process please let one of the peer mediators know, or see Mrs Adamthwaite.

Parents who would like to find out more about this confidential service can contact Mrs Adamthwaite on 68 290 511.

Helping out in the Community

Last Friday 21st November, several secondary students volunteered to assist at the St Vincent DePaul Society Christmas party. Katie Thomas, Hareem Sohail, Chiffona Kennedy, Elisha Jones, Camille Babar, Michael Forsberg, Ted Smith, Ricky Rushby and Lachlan Lawson all helped decorate, set tables, prepare and serve lunch to those attending the luncheon. They were assisted by Kayle Hobden and the entire group thoroughly enjoyed the experience.

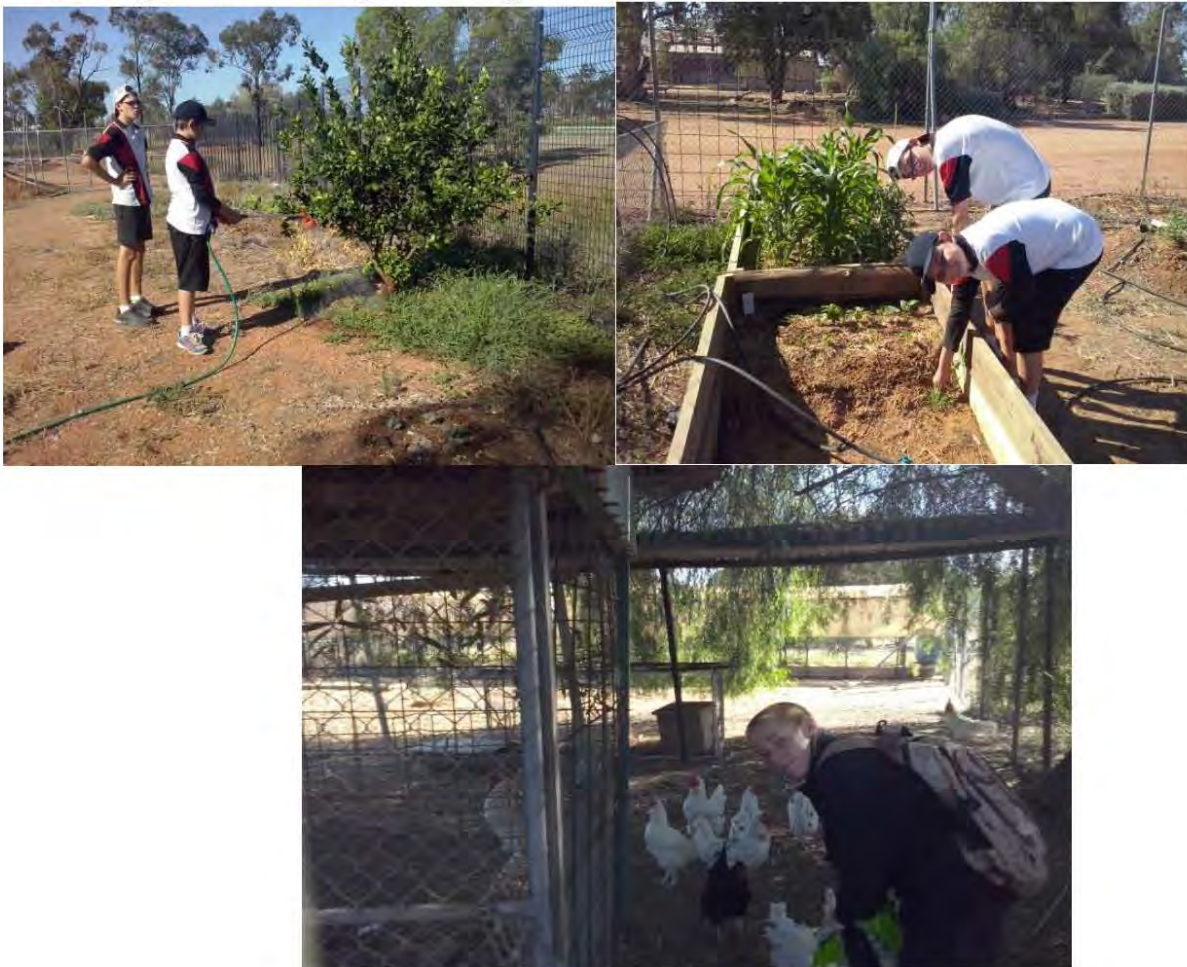

Stage 4 MC

In History this term, students have been exploring the Mongol Expansion and how societies have changed from the end of the ancient period to the beginning of the modern age. Recently, students have looked at how the people, the groups and ideas from this period of time influenced the world today. Students learned about some of Mongolian's favourite foods and how some of their dishes from the ancient period still continue to be eaten in the modern age. Here are some pictures of James, Connor, Marshall and Ben actively participating in cooking Mongolian Beef.

Every morning during roll call students make their way down to the Agriculture plot to water the plants, feed the chickens and collect their eggs. The students enjoy coming down of a morning. It's a good way to start off their day.

Senior MC Class

2014 has been a good year for the MC Senior class.
We have enjoyed some great excursions and have others planned for the rest of the year.

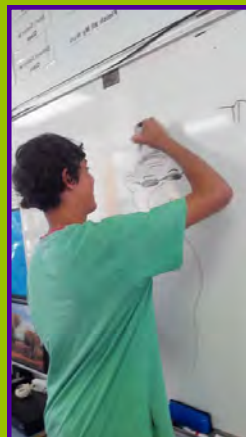

We are off to Dubbo Western Plains Zoo for a trip in Week 10 and we are also looking forward to spending some time at the pool on Tuesdays for sport.

This term, the class have really enjoyed playing sport. Some of our sport activities include outdoor and indoor tennis, hockey and even fishing!

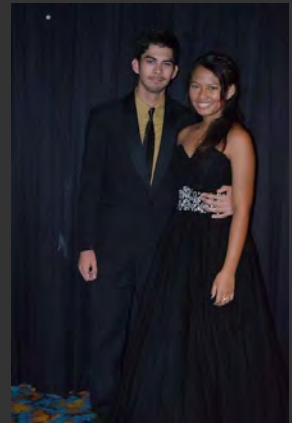

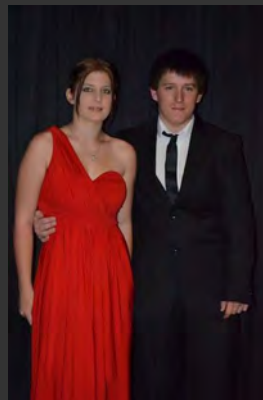

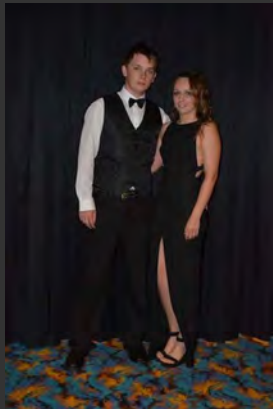

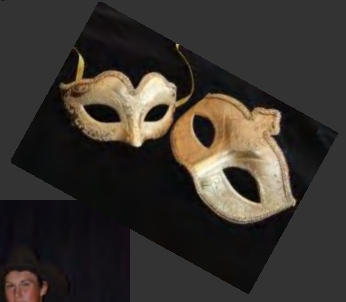

Photos below include Kevin helping to place the Timber for the Grandparents Day seating plan, Norton enjoying his birthday with a special treat, Tyson drawing on the whiteboard, Connor & Ron with a line in on the river bank.

We also have at last, finished painting our room. Pictured Russell Dean rolling the walls.

We look forward to more fun filled educational activities in 2015.

Commitment Classes – 2015

Dear Parents & Carers,

During 2014 the secondary staff, together with parents and students, have worked hard to increase school pride, promote effective teaching and learning and reduce disruption in classes following our PBL values of *Pride, Responsibility and Respect*.

Following an overall very pleasing attitude to the Yearly Examinations, it is now time to look at the class structures for 2015. I am pleased to say that we have made huge gains in all areas; our students achieved some outstanding results in the Naplan testing for example.

As the concept of commitment classes was an outstanding success we plan to further improve the program by offering the opportunity to all students to be in a commitment class. In fact we have reached the point where many students feel empowered to defend their right to protect their own learn by saying 'no' to disruptive students and by letting them know that every student has the right to learn without disruption.

To support these 'committed' students we have looked at extending this opportunity in all classes and subjects for all students. Students in all classes will agree to be prepared for learning each day, to work consistently on their learning and tasks and to not interfere with the learning of others. These classes will be a place for teachers and learners to come together in an environment that allows every student to achieve their potential every lesson.

There will be 3 classes in Stage 4 (Yrs. 7 & 8) and 3 in Stage 5 (Yrs.9 & 10) the classes will be structured in the following ways:

- High Commitment with Independent learners
- High Commitment with some support learners

- High Commitment with additional support learners

Parents will need to support the classes by providing an opportunity for effective homework and study and ensuring students attend everyday prepared for their learning. All students will have their behaviour and commitment regularly monitored so that any issues can be rectified swiftly. If a student is unable or does not meet the level of commitment required in a specific class they will be moved into a class with a more appropriate support structure.

Entry to the classes will not be based on academic achievement; all students will have the opportunity to apply to be part of these special classes.

Entry will be given to those students who show a commitment to their learning, a commitment to supporting the rights of others to learn and the right of teachers to teach.

If you have a child in Years 7 – 10 in 2015 and would like to know more please do not hesitate to contact the school to discuss your child's placement in 2015 before the 28th of November.

Yours faithfully,

K Adamthwaite

Commitment Classes 2015 (please return to the front office by the 28th November)

- Yes I am interested in my child being a part of the commitment class in 2015.

Please indicate which option you & your child would prefer

- High Commitment & Independent Workers
- High Commitment with some support
- High Commitment with additional support

MOVEMBER

2014

Movember is about bringing back the moustache (Mo), having fun and doing good to change the face of men's health. Mo Bros take action by changing their appearance through the growth of a new moustache for the 30 days of Movember, and in doing so become walking, talking billboards for men's health. Mo Sistas sign up and commit to supporting the men in their lives while helping to promote men's health at home, in the workplace and within their community.

Living Hope is a 2 Day Training Program developed by The Salvation Army, with funding provided by the Department of Health and Ageing under the National Suicide Prevention Strategy.

This comprehensive program covers all aspects of suicide bereavement including;

- practical matters to be attended to following the death of a loved one
- the grieving process
- aspects of spirituality
- the influence and impact of culture on grieving
- understanding emotions

In the Living Hope Bereavement Support Training Course you will learn;

- the impact of the loss of a loved one by suicide on family, friends and the community
- grief and the grieving process
- the five big feelings
- the importance of rituals
- trauma and resilience
- qualities of a helpful carer
- practical concerns - funeral arrangements, the Inquest, etc

Who should attend?

The course is targeted at people who may be called on to provide support to people who have been bereaved as a result of the suicide death of a loved one. This could include Chaplains, Counsellors, Health and Welfare workers, education professionals & support workers etc.

Dates: Monday 1st and Tuesday 2nd December 14 (930am – 430pm)

Where: Lightning Ridge Child and Family Centre – Lot 95 Pandora Street

Cost: Nil

Resources and workbooks, Lunch and Tea and Coffee provided both days
