RIDGE KIDS CAN DO ANYTHING!!!

How can you help YOUR children's future?

Healthy sleep and diet are the first step.

Help your child grow into a polite, responsible young person by modelling appropriate speech and behaviour.

Encourage your child to always do their best and reward trying not, just winning.

Make sure they attend school every day ready to learn.

Help your child value learning both at school and at home.

During the upcoming school holidays, it is important that you to read at home to maintain the progress made in 2016.

Here are some tips to help you in encouraging your child to read:

- Be yourself and involve your child in everyday conversations from an early age.
- Read aloud to your child. It will help your child to learn the language of books and encourage the enjoyment of books and reading.
- Talk about books together - make reading a shared, enjoyable activity.
- See that there is a range of reading material for your child at home, both fiction and non-fiction.
- Try not to let television or computer use intrude on reading time - set aside some uninterrupted time to read with your child.
- Listen to your child read **every day**, even if only for a short time.
- Give books as treats and presents.
- Discuss the meanings of stories and words.

Being able to read and understand books is an important part of your child's growth and development.

Have a happy and safe Christmas holiday and I look forward to returning in March next year after some short leave. I will be capably replaced by Mr Richard Finter during my absence.

Don't forget to check Lost Property for your child's clothing before end of term.

Uniform Shop

Uniform shop will close on the 15th December 2016 and re open on Tuesday the 3rd of February 2017 for all of week 1 and opens again Monday the 9th, Tuesday the 10th and Thursday the 12th of February, Week 2, 2017

Library News

Hello,

The term is feeling like we are getting towards the end...The Stage 3 Year 6 students are having Transition to Secondary, teachers are having Planning Days for 2017, Presentation Day prize students are being chosen, reports finalised...

We continue to work in the library and students continue to delight me in their enthusiasm when I happen to choose a book that they love or can relate to. Having a love of books helps me to choose quite effortlessly. Morris Gleitzmans series: Once, Then, After, Now and Soon has proven of interest to Stage 3 and Kindergaten have loved "Hooray for Hat." They made a simple cone hat and had a lot of fun with it. Trying to keep their hat on while walking was interesting to watch.

So we have sad stories and happy stories: A real reflection of life in our reading.

The LRCS Reading Challenge finished with quite a number of students completing more than one recording sheet (ten books). The party for those who were part of the challenge is to be held on Monday 5th December and there will be no need for students to bring lunch. Certificates are presented and the students who completed the challenge have lunch in the library.

Some students have books which they need to return to the library. We are not having borrowing for the rest of the term and are trying to return all borrowed books in the final weeks of school. The town library is a great place to visit now and in the holidays so that reading still keeps happening.

Another quote from the SMH article I quoted in last newsletter: "While many note that having books in the home, library memberships and high interest classroom collections encourage children to read, experts say it is **parental attitude and involvement in children's literacy practices that has the most impact of all.**" Something to think about...

The library Turtle Draw winners recently have been:

SCHOOLS SPECTACULAR 2016

Friday 25 & Saturday 26 November
Qudos Bank Arena, Sydney Olympic Park

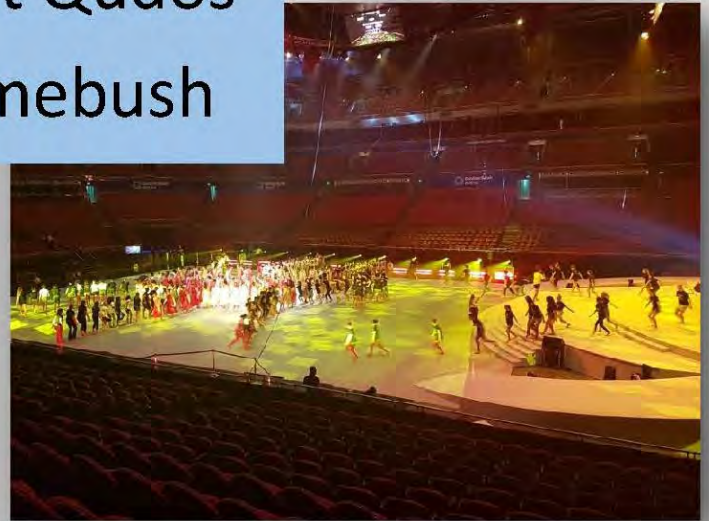

Rehearsals at Auburn PCYC

What I liked about School Spectacular was that I wasn't scared of so many people and that I met so many people. What did I feel about School Spectacular was that I really got nervous at the start and then when I performed I was really loving it. We went shopping. The whole trip was great.

Lillian

Rehearsal at Qudos Arena, Homebush

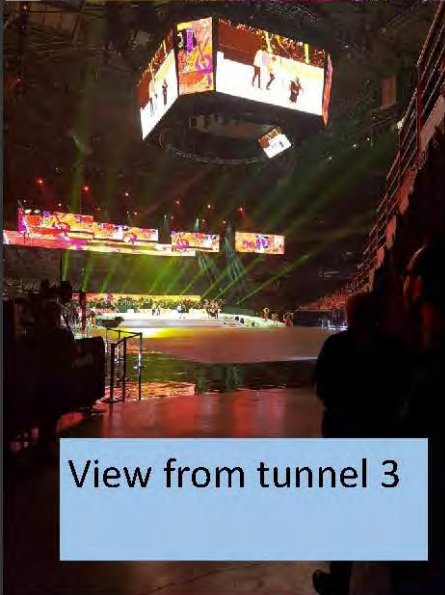

As a student at Lightning Ridge having an opportunity to participate in School Spectacular was a fantastic experience meeting new people and being able to show everyone our dance to treaty that we learnt in a week. We had done some amazing things including spending a day at Bondi, having dinner at fancy restaurants, shopping and having completed the week without being late. Even though stay a night in Dubbo on the way back wasn't planned it turned out good. Most of all thanks to Miss Menz and Kaycee for giving up their time and class to take us on this adventure and also special thanks to Goodooga and Miss Inglus for coming on our journey with us.

Taia-Lee Morris

I really enjoyed going to this years Schools Spectacular. Performing in the dance 'Treaty' would have to be one of my favourite parts. We visited Bondi Beach, went shopping visited Krispy Crème Café, and went out for dinner. It was such a great experience. Thankyou Miss Menz and Kaycee.

Jasmine Scott

Me, as a student from Lightning ridge Central School, from the outback dancing in Sydney in front of thousands of people was amazing. I didn't believe it at the start and I thought they were joking until I went and asked Miss Menz. It was so much fun I have ever had, I still can't believe that we were on TV.

Elva-Lou Cran

As a Student at Lightning Ridge Central School going to something as big as School Spectacular, dancing in front of thousands of people and travelling down to Sydney meeting new people was great. Thank you to Miss Menz and Kaycee Ah Kit and Miss Ingles.

Sport and Recreation's Swim and Survive lessons

Australian summers usually involve plenty of fun in and around the water, but no parent should forget how important it is to make sure children stay safe.

Sport and Recreation's Swim and Survive classes for preschoolers and school-aged children help youngsters learn important ways to be safe and enjoy our pools, rivers, beaches and lakes.

The intensive nine-day programs provide wonderful results, and are great fun as well. Plus, family discounts make our program affordable for all the children in the family.

Sport and Recreation runs Swim and Survive classes in pools throughout regional NSW.

Our instructors are nationally qualified and screened for their suitability to work with children.

Prices for nine lessons are \$70 for school-aged children and \$50 for preschoolers (prices exclude pool entry fee).

HSIE

On Tuesday, 15 November 2016, Ted Fields and Rhonda Ashby co-ordinated a visit to the school by Archaeologist, Dr Mark Moore and four of his Archaeology students from the University of New England.

Dr Moore delivered a presentation about the work of Archaeologists, showed digs he had been involved with around the world and discussed his passion for the discipline to students from Years 9 - 12.

The students were then given an opportunity to create and use stone tools with Dr Moore's instruction; a field in which he is a recognised expert, and discuss with his students details of the experiences studying and working in this field.

Dr Moore and his associates will be conducting site studies of the Narran Lakes, an area he claims contains a wealth of archaeological Indigenous artefacts, for the next two years. It is hoped that many more students from LRCS will be able to get involved during this time.

STEM Aquaponics Excursion

Year 7 STEM classes visited Ashley and Ron Steve's aquaponics garden at Bald Hill last Friday. The excursion complemented the aquaponics gardens they are currently building in class. Students saw how this unique way of gardening can thrive in our Lightning Ridge environment. Ashley and Ron have been able to grow many plants and vegetables that would otherwise be challenging here. Students learnt about the system set up, water flow, nutrients the fish produced and the growing cycle of plants. Students took ideas gained from the excursion and applied them to their own class projects which will be finished this term. Everyone enjoyed the trip.
