Term 4, Week 10 2017

## Principal's Report

### Every Day Counts.

I have been saying this all year and I will say it again: Every Day Counts.

Our overall attendance in 2017 has been very good. A little below the average of New South Wales public schools but, very close. Certainly much higher than the average for our area.

Our primary students are attending 90% of the time, and our secondary students 87%. This sounds great because there are many students who attend 98% of the time and are therefore getting a consistent and high quality education. Unfortunately, some students have very poor attendance and consequently their results are very poor. Because of this, they will struggle to cope with learning in 2018 and probably have more days off because they are struggling with classwork. This cycle continues, because of their absences, they leave school with very low marks and a very difficult future in front of them for the rest of their lives.

As parents, you are responsible for getting your kids to school every day. If you do not you are letting them down and they could be disadvantaged for the rest of their lives.

I look forward to seeing every student at school every day possible next year. This is the most important thing we can do for our kids because as we have shown over and over again.....

### Ridge Kids Can Do Anything

Ridge Kids are fortunate to be part of a supportive community, living in a place where they can be free and safe to grow up in an active and innovative way. They have access to quality education this has meant that our kids are capable, with effort, of achieving huge success. I look forward to next year being able to report to you again the huge range of success your children will achieve with the support of their families, the community and our terrific school.

### Our School

To end the year on a positive note I would like to give you some information about how Lightning Ridge Central School has improved over the years.

We now have an incredibly experienced staff who have been trained to the highest standard. Every teacher adjusts their teaching to deliver the type of education that each individual student needs to achieve their best. Our school's academic results and the attitude and behaviour of our students to education continues to improve.

Our NAPLAN results continue to show overall improvement in many areas. All students wishing to enter university have already received an early offer to at least one Uni.

The behaviour of our students continues to improve. While we set very high standards for our students and reward those students who meet our expectations, we also set consistent consequences for all students who do not meet our expectations. To highlight this the number of students suspended has decreased by about 50% since 2013. The biggest decrease has been for aggression and disobedience.

The range of external events for sport and culture has increased significantly and the community participation and citizenship of our students continues to improve.

We are not yet perfect but we do work hard to improve all the time.

We have ideas to make our school even better in 2018 with parent and community involvement.

Have a safe and happy holiday and I look forward to seeing everyone back on Tuesday 6th February 2018.

If you would like to discuss anything mentioned in this newsletter or any other matters please feel free to come in and have a chat. Parents and community members are always welcome however; it is wise to make an appointment beforehand to avoid having to wait.

## Secondary Report

Thankyou to all the parents who came along to our Presentation Day assembly– all students looked fabulous wearing their school uniforms and accepting their awards with pride. It was disappointing that some of the recipients were not in attendance and did not receive their awards.

Thank you to Ms Downes- Principal of Goodooga Central School for her address about journeys. At this time of year most of us are starting a new journey or

changing direction in our own journey.

To our Year12 students who are waiting for their HSC result this week and have just completed their school journey we wish you all the best in your next journey.

To our 2018 Year 7 students who are about to embark on their next journey we welcome you to Secondary education and look forward to you all developing into young adults just as our Year 12 students have during the last 6 years.

Each of our students are moving forward into the next year group which will bring along new challenges and journeys.

Farewell to our secondary staff members who are beginning new journeys, Ms MacDonald, Mr McClure, Mr Maloney and Ms Hoffman. We thank each of them for their hard work & dedication whilst they have been at LRCS.

Next year the staff & students at LRCS will begin a new journey with Mr John Flemming using his explicit instruction programs to further support improving students academic results.

I would like to wish everyone a Merry Christmas and Happy New Year and hope that you have a happy journey during the holidays and be ready for school on Tuesday 6th February 2018.

## **Primary Student of the Week**

### **Term 4    Week 9**

### **Caitlin Wallace   ES1J**

Caitlin is a friendly, kind and caring class member who always comes into class smiling and ready to learn! She is a super hard worker, always putting in her biggest effort in everything we do. Caitlin is helpful, polite and follows the turtle rules, setting an excellent example for her peers. She is always inclusive of others when playing at recess and lunch and never fails to make her friends and teachers laugh! We have been so lucky to have Caitlin in Kindy Joeys.

## **Primary Student of the Week**

### **Term 4    Week 10**

### **Lexi McBride   S3B**

Lexi has a terrific attitude towards her school work. She always listens well in class and attempts to better her knowledge and understanding of the content taught. Lexi is always respectful and caring towards others and she often volunteers to help her teacher and other students. Lexi consistently demonstrates herself to be an outstanding role model to her peers. Keep up the great work, Lexi!

## **Secondary Student of the Week**

### **Term 4    Week 10**

### **Tori Smith    Year 10**

Tori has had a productive year during which she has consistently produced high quality work. In all of her classes she applies herself to her studies, completes her work and gives her best in her assessments. Tori embodies the school's values of pride, responsibility and respect. A quiet achiever, she is an example to her fellow students and is always a pleasure to have in the classroom. Well done, Tori!

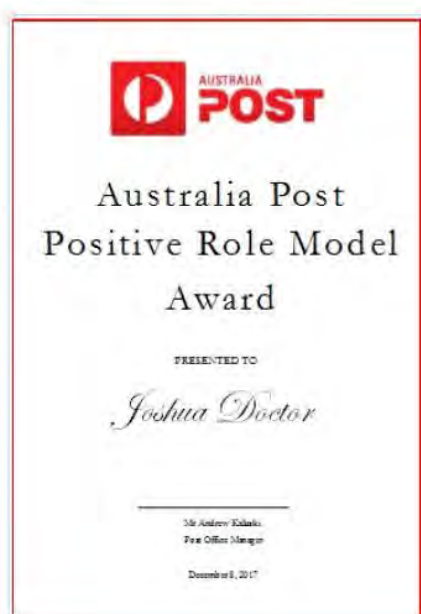

## Positive Role Model Award

This year we are proud to announce that we could reward a student who has demonstrated confidence and leadership. Someone who is always positive, calm and confident in themselves, treats others with respect, is polite and courteous and is always trying hard and strives for bigger and better objectives.

Many thanks go to Andrew and Shelley Kaluski from the Lightning Ridge Post Office who have made this award possible. Mr and Mrs Kaluski presented this years winner on Friday at our Presentation Day Assembly with a certificate and an iPhone 5.

The 2018 Positive Role Model Award was presented to Joshua Doctor who is currently in Year 9. Joshua always demonstrates the attributes of a Positive Role Model. Well done Josh!

# S2H Paper Structures

- Students challenge is to design and construct a paper tower.
- Tower must be as tall as you can.
- Must be stable enough to stand alone.
- Subjects incorporated— Maths, engineering and science

civil engineering : The field of engineering pertaining to non-moving structures such as roads, sewers, towers, buildings and bridges.

S2H made structures from newspaper and tape. The structures had to be free standing and the tallest structure won. Austin, Jazmin, Paxton and Makayla were the team that won. It almost touche the ceiling.

## Journey Sticks

S3Culgoa have been working hard over the last 10 weeks creating their own Journey Sticks. Students collected sticks and or branches from around the Lightning Ridge area to create their own personalised journey sticks.

With help from Aunty Brenda and Rhonda Ashby students explored ways to decorate their sticks detailing their life journeys. Mr Murray allowed S3Culgoa to use the woodwork room to cut and sand the sticks and then students painted the sticks detailing different symbols relating to events that have taken part in their life journey so far.

## History of journey sticks

First, a little background on the journey stick for you. Aboriginal people in Australia used journey sticks to more easily recount their journeys to other people upon their return. They found a large walking stick, collected materials found along the way, and tied them to the stick in chronological order.

Native Americans also decorated sticks to recount their journeys and tell about their travels. These sticks can be used as storytelling and navigational tools. The collected materials and markings have various purposes. Some things can be used as markers for natural features in the land, such as tree bark to indicate passing through the woods. While particular symbols carved into or painted onto the stick could show weather patterns, natural features, or events that took place.

# SCHOOLS SPECTACULAR

On behalf of the Lightning Ridge Central School students who successfully participated in school spectacular 2018, we would like to say thank you to the school, the community of Lightning Ridge who had donated or supported us in many ways.

A special thank you to the Lightning Ridge P and C, Rotary and Soroptimist who made donations to our fundraising. Thank you to Lightning Ridge Central School students and community who supported us by attending a movie night, The Ridge has got talent and community donations through 100 clubs, bowls day and raffles. All of this has helped us with accommodation, fuel and food for the eight days in Sydney.

We had a long enjoyable week of practicing and learning our routine, including dress and finale rehearsals. During the practices and waiting between the two shows on Friday and Saturday, we had time to meet and make friends. When we had free time we got to go shopping, swim in the pool at the beach and watch a movie (Daddy's Home 2).

Getting to meet up with and get photo's with Mrs A and Mr A before the show on Friday night was great, as knowing that people came to watch us even more excited to perform.

We would also like to give a huge thank you to Miss Menz and Kaycee. We really appreciated that you two gave up your time to take us on a experience of a life time.

Tune in this Saturday 16th December at 7pm on Channel 7 to watch the three fantastic dance ensembles that Lightning Ridge C.School participated in -Aboriginal Dance, Combined Dance and Hip Hop Ensemble.

# Lake Burrendong

## Stage 3

### Rafts

### Lake Burrendong

A few amazing things about the excursion was the cabins. The cabins were clean and there wasn't any mice. In the cabins there was very clean toilets. The cabins had enough beds for everyone so we could sleep and we especially didn't have to share our beds. We didn't have to have two people per bed. It was a very exciting trip to Lake Burrendong.

### Archery

# Slide

# rock climbing

## Lake Burrendong

Lake Burrendong was a fun place to visit because of the fun activities. The activities were, rock climbing (and you got one dollar if you touch the top of the rock climbing wall). The next activity was kayaking and everybody got soaked. The next activity was raft building and then we did slip n' slide. Then it was the day we had to leave Lake Burrendong so we had two groups left. The first activity was archery and Laitori was the closest to the target. Charlie from Mr. Bonsing class popped three balloons. Then last but not last we had the low ropes. A lot of people tell of the course. All the activities were awesome.

One thing about Lake Burrendong  
was the food. The food was amazing  
& Mr Bonging loved the food. We never  
went hungry! We had all types  
of food, like chicken strips, tomato, wax  
sausage and Yummy Sandwiches.

# Breakfast Club

## at LRCS

Our Breakfast Club operates 5 day per week, we have 1 paid worker (by the school), 2 Church volunteers—5 mornings a week, and Rev David Piper volunteers 1 morning a week. The Club is coordinated by Yvonne Woodcock.

A morning duty staff member and School Learning and Support Officers supervise the steady stream of hungry students.

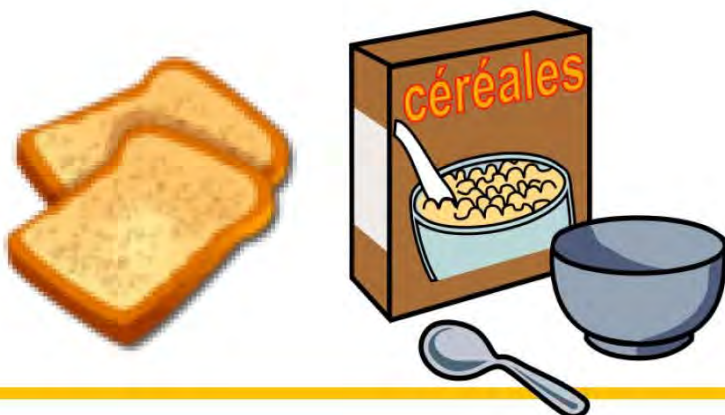

We, as a breakfast club, serve 40-50+ students per morning. There is no stigma attached to attending the breakfast club, all are welcome regardless of their situations—Teachers, bused in Students and town students.

Many of our students (K-12) travel long distances to school, or often live on camps that have limited power and water.

The Breakfast Club allows us to keep a check on the students that may require more support.

Big Thanks to the John Wallace Foundation, St Vinnies, IGA Lightning Ridge, Red Cross, Food for Families and School Administration.

## **Active Kids Rebate Program**

### **What is the Active Kids Rebate program?**

The NSW Government will provide a rebate through a voucher system to parents/guardians of school enrolled children. The \$100 voucher can be used for registration and participation costs for sport and fitness activities.

The initiative will reduce the barriers to participation and help change the physical activity behaviours of children and young people in NSW. The majority of children and adolescents in NSW are not meeting the daily recommended levels of physical activity. In 2015, more than 1 in 5 children in NSW was overweight or obese.

### **Who is eligible to claim the voucher?**

Every family in NSW with a child enrolled in school from Kindergarten to year 12 will be eligible for the Active Kids Rebate. It will not be means tested and one voucher will be available for every child in the family annually over the next four years. There will be no limits on the number of applications per family, as long as every child is enrolled in school.

### **What can the voucher be used for?**

The voucher can be used for registration or membership fees for after-school, weekend sport and structured physical activity programs, including swimming lessons, from a wide range of providers. The vouchers will be redeemable through approved sport, fitness and physical activity providers upon registration.

### **Who will administer the program?**

The Office of Sport will work in partnership with Treasury and Service NSW to implement the systems required to enable families to access their voucher through an on-line process. The Office of Sport will work closely with approved sport, fitness and physical activity providers to support the largely volunteer workforce in implementing streamlined systems to allow users to redeem their vouchers upon registration.

### **When will the program be introduced?**

From January 2018 families will be able to claim their voucher/s online from the NSW Government.

### **Where can I find more information?**

Applications will be facilitated by the Office of Sport. More information will be available on the website as the program details are further developed [www.sport.nsw.gov.au/activekids](http://www.sport.nsw.gov.au/activekids)

**Yuwaalaraay** is the dialect of the Lightning Ridge area. The name of the language and Aboriginal people of the Balonne River Region.

Yuwaalaraay is connected linguistically to Gamilaraay, the language of the Gamilaroi/ Kamilaroi people.

The language area extends across north west NSW on the Barwon River into south west Queensland along the Narran, Culgoa and Balonne Rivers. This area takes in the communities of Hebel, Dirranbandi, and St George, extending south towards Goodooga, Walgett, Lightning Ridge and Collarenebri.
