Term 4, Week 8 2017

Principal's Report

With the end of the school year drawing to a close there are a couple things that we need to remind people:

Students will continue to pursue the goals of *Respect Responsibility* and *Pride* every day of the school year. Students who meet these goals deserve acknowledgement will receive acknowledgements over the next few weeks before school finishes.

Our school will continue to conduct valuable, educational lessons during this time and we expect all students to attend school every day. Because at Lightning Ridge Central School *Every Day Counts*.

It has been an amazing fortnight, we began by acknowledging the conclusion of 13 years of primary and secondary schooling for our Year 12 2017 group. As expected this impressive group of young people presented themselves at the graduation function impeccably dressed and with mature and sensible behaviour to match. I was very proud of the group and honoured to be able to speak of their many successes and the time and effort that their parents, school and the whole community had devoted to the development of these fine young people.

I was even more impressed after hearing of the range of employment and further education that the students will be undertaking in 2018. The range of early University entry offers was outstanding proving that *Ridge Kids Can Do Anything*.

I was privileged last week to see Hareem Sohail be awarded the Dr Victor Chang Medical Research Award for high achievement in Science. Hareem was one of 28 students from an area which covers most of New South Wales, to have earned this prestigious award just goes to prove that *Ridge Kids Can Do Anything!* When we arrived at Dubbo Senior High School we were greeted by DSHS Year 11 students. One of whom was our own ex-student Swastika Sharma who is now a student leader in her new school. At the commencement of the ceremony an Acknowledgement Of Country was given and we were delighted to see it was another of our own ex-students Tiana McBride who had been chosen from thousands of students in Dubbo to conduct this important ritual.

I was then able to see the excellence of Lightning Ridge students by watching the three groups of dancers who performed in the 2018 schools spectacular, and it truly was spectacular! Lots of hard work and practice came together on the night in a wonderfully stunning performance. The show will be televised on Channel 7 on Saturday, 9 December. If you have the opportunity, please tune in as it well worth watching. Every week we prove that *Ridge Kids Can Do Anything*.

You are invited to attend our annual Presentation Assembly, 9am Friday 8th December to witness the range of excellence achieved by Lightning Ridge students.

Principals report continued..

Don't forget that Christmas Carols will also be held at 7:30pm, Friday 8th December and that this year a barbecue will be held by Lightning Ridge Rotary if you'd like to have a meal during the evening.

Visitors to school – Ex - Students

Schools, in other places, enrol students from Lightning Ridge but stop their learning days or even weeks earlier than our students. When these students come back to town they are not able to come into our school and disrupt the learning of others. If Ex-students wish to come into our school to visit their friends, who are continuing to learn, they can only be at the school during recess and lunch time and must sign in as a visitor to the school and wear the visitor's badge while on school grounds. They must leave the school at the end of recess or lunch and not proceed to any out of bounds areas or classrooms.

The school retains the right to refuse entry to any person.

If you would like to discuss anything mentioned in this newsletter or any other matters please feel free to come in and have a chat. Parents and community members are always welcome however; it is wise to make an appointment beforehand to avoid having to wait.

Deputy Principal's Report

During the last fortnight four Year 8 students participated in an ASPIRE camp held in Sydney. The ASPIRE trip is designed to encourage boys and girls from the bush to go to University - thanks to Mr Maclean for supervising the students at the camp and on the long trip to and from Sydney.

Science students have been participating in field trips around school and other locations close to school. They are developing their observation and recording skills. This provided students with some hands on activities - thanks to Ms Campbell for her organisation.

During the next two weeks students will continue their learning in classes up until Friday 15th December. There are some reward trips planned for those students who have reached their OPAL award.

Students in Year 12 have been working with Mrs Adamthwaite to develop effective time management and study skills. It is all systems go for learning at LRCS!

It is pleasing to see so many students consistently arriving on time and in uniform, they really show pride in themselves and in their school. Laptops are continued to be used in classes, the LEXIA reading program has been especially beneficial to our students in just a short time we have recorded some amazing improvements in our students reading ability. LEXIA can be accessed at home if you have internet access-it would be wonderful if parents encouraged their children to use LEXIA during the school holidays.

Primary and Secondary reports will be available for Parents to collect after Presentation Day, Friday, 8th December. Reports will be handed out under the Senior Cola (outside school gym).

If you are collecting reports for another parent, written permission must first be provided. Reports not collected on the day will be mailed to the address the school has on record.

Kindergarten reports will be available after Presentation Day in the Kindergarten classrooms. Again, if you are collecting reports for an another parent written permission must first be provided.

If you would like a parent/teacher interview please inform the staff member handing out the reports or phone the school to make an appointment on 0268 290 511.

Primary Student of the Week

Term 4 Week 7

Ezeikal McBride S2O

Ezeikal is a kind and thoughtful student who has demonstrated a fantastic attitude towards his learning this semester. He has worked hard to follow the turtle goals both inside and outside of the classroom and has participated in all school-based activities with enthusiasm. Ezeikal is very considerate and always finds time to help his teacher and his peers. S2O have been lucky to have a friend like Ezeikal in our class this year. Well done, Ezeikal!

Primary Student of the Week

Term 4 Week 8

Michelle Kranz S1B

Michelle is a quiet member of the class who always applies herself in all areas of her schooling. She always follows our PBL goals and school values.

Congratulation Michelle!!

Primary Student of the Week

Term 4 Week 8

Kyol Mason-Vieira S3N

Kyol is a polite and friendly student. He is always trying to complete his work to a quality standard. He is happy to help others if they need help and is ready with a smile and a kind word when you speak with him. Congratulations Kyol!

Secondary Student of the Week

Term 4 Week 7

Annika Thompson Year 7

Annika is a thoughtful, hard-working and responsible student who always gives her best in class. Her attendance is excellent, she takes pride in wearing her school uniform and she always arrives with all her equipment and a "ready to learn" attitude. Annika completes her assessment tasks to the best of her ability and seeks feedback from her teachers; this is a quality that will help her to further develop her academic skills in the future. This has been a great year for Annika: well done!

Library News

We had a lovely visit and delivery of good quality second hand books by "Books 4 Outback" recently. This group has books donated to them and they then do a road trip to outback schools delivering their books. We let students choose a book and suggested they share it with at least 4 other people. Students were excited. It reminded me a bit of when we used to receive Books in Homes. I love that we are thought of by those in "civilisation" and that our kids appreciate the books.

Lennie Frail Jr came to me with a book that he was reading and really enjoying and he had found a mistake in it. The book included a code and there was definitely an error as when we read the translation it did not make sense. I contacted the publisher of the book and they asked for an email to be sent with details of the error. Lennie is going to email the publisher with the help of his dad (Lennie Frail Snr) who was also reading the book with his son. A delightful story in itself! I will let you know the outcome but it is so important to read over your work and make sure it makes sense. I have been working on editing in my lessons this term and I am excited to think a student thought it important enough to come and find me in a meeting before school and let me know of an error in a book. Please encourage your kids to work on getting their writing as good as they can make it and this will be a skill that carries throughout life.

It is time to start looking for those books that are still at home. We do not allow borrowing after Week 8 but as you probably know the town library is great. I love visiting the town library and seeing your kids there.

The LRCS Reading Challenge finishes on Thursday 30th November and we will have the celebration party for those who have participated on Monday 4th December. The Christmas party is always fun. Kerrieanne excels with the party food and we have very special certificates to present.

The Library Turtle Draw winners have recently been:

Week 5

ES1 Amy Charty Joeys
Stage 1 Sara-Jayne Smith S1D
Stage 2 Mattie-Lee Seaton S2O
Stage 3 Rianna Haverhoek S3B

Week 6

ES1 Mary Boehm Joeys
Stage 1 Sara-Jayne Smith S1D
Stage 2 Finn Sisa S2O
Stage 3 Kyol Mason-Viera S3N

Week 7

ES1 Meerab Akbar Joeys
Stage 1 Tekoha Lasalosi S1D
Stage 2 Destiny Seaton S2H
Stage 3 Kirra Scott S3B

This will be my last newsletter for the term. It's been a wonderful year and I am happy to be doing what I am doing. LRCS is a great working environment and we are fortunate to have funding and opportunities to provide exciting things for your kids. Our library provides what many others cannot and having Kerrieanne here is also an extra positive in the running of the library.

I wish you a wonderful break from school, routines and special times doing what you love with your kids over Christmas and the school holidays .

Penny Fahey

PACER

Students from our school have recently undertaken an educational tour of the national capital, Canberra. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy. The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. We would like to thank the PACER team for their contribution .

Primary Report

Another busy term in Primary has seen:

- ♦ Lots of learning opportunities for all of our students
- ♦ Year 6 and Year 4 transitions
- ♦ Student Leader speeches and voting for 2018 Leaders
- ♦ Kindy Start 2017

With more to come for the rest of the term:

- ♦ Last 2017 Primary Assembly next Monday 4th December. Students still have the opportunity to earn their Opal Merit Award this week.
- ♦ Opal Pool Party - Wednesday 13th December. Those students who have achieved Opal level will be invited to the Pool Party. Notes have already been sent out. Students who earn their Opal level by next Monday will also be invited. **All notes to be returned by Thursday 7th December.**
- ♦ Choir Performances - Choir will be performing at Presentation Day and Carols. Carols will be held on Friday 8th December
- ♦ Kindy Start 2017 - Our gorgeous Kindy Start kids have been coming to LRCS in preparation for 'big school' in 2018. Enrolments **are now due**. Please see our helpful Office staff if you require assistance with enrolments.
- ♦ Kindy Start Graduation and Parent Information session - will be held in the Library from 12 noon to 2pm on **Tuesday 12th December.**
- ♦ Presentation Day Assembly - All school reports will be handed out to parents and carers at this

Congratulation's Hareem

The Victor Chang Cardiac Research Institute School Award Council is proud to host the annual Victor Chang Cardiac Research Institute (VCCRI) School Science Awards for the Local Government Area.

The Award recognises a year 11 student who has achieved the very highest level within the field of Science. Congratulations to Hareem Sohail, who has shown diligence, dedication and commitment to her studies and was recognised by the Victor Chang Cardiac Research Institute receiving this prestigious award.

The ultimate aim of this award is to see talented, bright, young students pursue a career in this exciting field and make a mark for themselves, and our region. Hareem has not only received this distinguished award, but will also be given the opportunity to visit and learn first-hand at the Victor Chang Cardiac Research Institute.

Cardiovascular disease is the leading cause of death globally. It claims the life of 1 Australian every 12 minutes and can affect anyone irrespective of age or gender. Labelled Australia's most expensive disease, it currently costs more than \$7.6 billion in healthcare expenditure per year. On top of this, congenital heart disease is the most common form of birth defect in Australia, with one baby born every four hours with a heart problem.

“ We should, as a country, spend more money in cardiovascular research”

Research in Australia is grossly under-funded compared to other western countries.

Victor Chang

MOVEMBER

Our Vision

To have everlasting impact on
the face of men's health

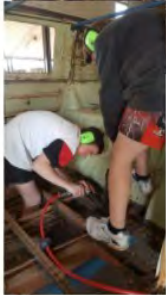

From humble beginnings back in 2003 the Movember movement has grown to be a truly global one, inspiring support from over 5 million Mo Bros and Mo Sistas.

The Movember Foundation wouldn't be where it is without the enthusiasm of all of those men and women around the globe. We're committed to keeping things fresh, keeping the community informed, and always being transparent and accountable in our practices.

Design Technology students are to be congratulated on the completion of the major works and folios. The students and Mr Markham spent many long hours in the workshop after hours to ensure that all jobs were completed and looking there best for marking. Students followed

Restoration Club

This year has seen the start of Restoration Club. Students are working on a 1961 Kombi. They have started going through the process of removing the old camper roof and installing bracing. Once everything was stable the plasma cutter and air hammer was used to remove the floor. Students have enjoyed the variety of activities and the challenges of this project. Hopefully next year will see the inclusion of some fresh steel and new panels.

2018 Swimming Carnival

Our school swimming carnival has a very crowded program and as such we often run out of time for some events, mainly relays. In addition, it places some undue stress on competitors and staff throughout the day. Next year we are trialling a new idea to alleviate this. We will be holding the carnival over two days, Monday the 12th February (long distance events) and Friday the 16th February (regular carnival).

Long Distance Carnival – Monday the 12th February

The carnival is open to primary and secondary competitors in the following events:

100m Freestyle
100m Backstroke
100m Breaststroke
100m Butterfly
200m freestyle
200m Individual Medley
400m Freestyle

Notes have been given to students who have shown interest in competing in these events. Students may nominate for any/all of these events to attend. Only those students who have returned a completed nomination form will be eligible to attend this carnival. Please return these as soon as possible.

School Carnival – Friday 16th February

This carnival will involve all other events from the swimming program (50m) and all students are encouraged to attend and compete.

Please note that primary 50m freestyle events are the only age based events. Breaststroke, backstroke and butterfly are grouped as follows;

Junior primary - 8, 9 and 10 year olds

11 year olds

Senior primary – 12 and 13 year olds

Parents are most welcome to join us on either or both days. Please free to contact me via the school should have any questions.

CALLING FOR NOMINATIONS FOR AUSTRALIA DAY AWARDS

HELP US RECOGNISE AND CELEBRATE THE ACHIEVEMENTS OF MANY IN OUR COMMUNITY

Walgett Shire Council is now calling for Nominations for the 2018 Australia Day Awards. This is an opportunity to recognise someone you know for all their hard work and who makes a significant contribution to the Walgett Shire community.

Mayor Ian Woodcock said “the awards are a great way to recognise the efforts of people and organisations from across the community who contribute to making our shire a wonderful place to live, work and play. We are fortunate to have so many people in the Shire who find the time to go above and beyond to enrich the lives of others. If this sounds like someone you know then I’d strongly encourage you to nominate them in the relevant category so they can be considered for an Australia Day award”.

“While there can only be one winner in each category, it's a wonderful experience for the nominees to be acknowledged and thanked by Council on behalf of the wider community for their efforts.”

The award categories are:

Citizen of the Year (aged 26yrs or over)
Young Citizen (Under 25 years)
Sports Achievement of the Year
Community Event of the Year

The awards will be announced at the Australia Day Celebrations on Friday 26 January 2018 at the Walgett Sporting Club and everyone is welcome.

Nomination forms for the 2018 Australia Day Awards are available from the Shire Office or from Council’s website and must be submitted to Council.

For further information please contact Council’s administration on 02 6828 1399.

Yuwaalaraay is the dialect of the Lightning Ridge area. The name of the language and Aboriginal people of the Balonne River Region.

Yuwaalaraay is connected linguistically to Gamilaraay, the language of the Gamilaroi/Kamilaroi people.

The language area extends across north west NSW on the Barwon River into south west Queensland along the Narran, Culgoa and Balonne Rivers. This area takes in the communities of Hebel, Dirranbandi, and St George, extending south towards Goodooga, Walgett, Lightning Ridge and Collarenebri.

Active Kids Rebate program

What is the Active Kids Rebate program?

The NSW Government will provide a rebate through a voucher system to parents/guardians of school enrolled children. The \$100 voucher can be used for registration and participation costs for sport and fitness activities.

The initiative will reduce the barriers to participation and help change the physical activity behaviours of children and young people in NSW. The majority of children and adolescents in NSW are not meeting the daily recommended levels of physical activity. In 2015, more than 1 in 5 children in NSW was overweight or obese.

Who is eligible to claim the voucher?

Every family in NSW with a child enrolled in school from Kindergarten to year 12 will be eligible for the Active Kids Rebate. It will not be means tested and one voucher will be available for every child in the family annually over the next four years. There will be no limits on the number of applications per family, as long as every child is enrolled in school.

What can the voucher be used for?

The voucher can be used for registration or membership fees for after-school, weekend sport and structured physical activity programs, including swimming lessons, from a wide range of providers. The vouchers will be redeemable through approved sport, fitness and physical activity providers upon registration.

Who will administer the program?

The Office of Sport will work in partnership with Treasury and Service NSW to implement the systems required to enable families to access their voucher through an on-line process. The Office of Sport will work closely with approved sport, fitness and physical activity providers to support the largely volunteer workforce in implementing streamlined systems to allow users to redeem their vouchers upon registration.

When will the program be introduced?

From January 2018 families will be able to claim their voucher/s online from the NSW Government.

Where can I find more information?

Applications will be facilitated by the Office of Sport. More information will be available on the website as the program details are further developed www.sport.nsw.gov.au/activekids

Tickets can be purchased from the School's Office
or by contacting 0407 392 778

NEED FUNDS FOR STUDY AND TRAINING?

FOR WALGETT'S DISTRICT STUDENTS

The Country Education Foundation of Walgett is a community-based association that provides financial assistance and encouragement to local school leavers to move into further education or training through apprenticeships, universities, TAFE or other training providers.

Grants are based on circumstantial need and desire to achieving your goal, not on academic ability.

What funding can I get?

Grants usually range from \$500 - \$2000 and are 'non-cash'. This means they are distributed in the form of reimbursement to cover fees, text books, travel, accommodation, tools of the trade, uniforms, laptops and other costs associated with study. We can even pay an invoice you have sent to us so you are not out-of-pocket!

Who is eligible?

- You will be aged between 16-25;
- Live or go to school in the local area;
(Walgett, Lightning Ridge, Collarenebri, Angeldool, Rowena, Burren Junction, Goodooga, Cryon, Come By Chance, Carinda, Cumborah, Gravelin and within the boundaries of the Walgett Shire)
- Demonstrate financial need; and
- Show commitment to achieving your goal.

Applications close December 31, 2017

HOW DO I APPLY?

SHARE YOUR WORLD!

WITH AN OVERSEAS EXCHANGE STUDENT!

TAKE A LEAP OF FAITH

Have you ever considered inviting an exchange student into your home? WEP is looking for Australian families to join their community of volunteer host families!

Treat your family to an intercultural experience like no other by hosting an exchange student from overseas. Share a piece of your heart and your backyard and support a young person make his/her dream of living and studying in Australia come true.

If you have a room to spare and an interest in other cultures, we would love to hear from you! Remember, sometimes the greatest rewards in life come from taking a leap of faith or doing the things you never thought you would.

MEET DAVIDE!

"I have a passion for the arts. I dedicate a lot of my time to photography, drawing, music and writing. I am also addicted to reading and I'm a great cook. I have an active nature and I enjoy outdoor sports such as volleyball, biking and running. I'm from a talkative family and I love to tell them all about my day. I hope my host family enjoy the experience as much as I will!"

STEP 1 - REQUEST PROGRAM INFO

- Email or call Sylvia at WEP: sylvia@wep.org.au / 03 9598 4733

STEP 2 - CHOOSE YOUR STUDENT

- WEP will send you comprehensive program and student information, so you can choose the student best suited to your family.

STEP 3 - PREPARE FOR ARRIVAL

- WEP will assess your application, prepare you for your student's arrival and take care of everything, including school enrolment, assistance with your application for relevant working with children checks, flights, insurance, and more!

LIGHTNING RIDGE

Lightning Ridge Central School

Respect • Responsibility • Pride

19/9/2017

Dear Community Members,

PRESENTATION DAY 2017

The Lightning Ridge Central School Presentation Day will be held on Friday 8th December 2017 at 9.30am in the school gymnasium.

We would like you to consider making a donation for our students. We have 400 students enrolled and two students in each class/subject receive a book prize to the approximate value of \$30.00 each. Students in Kindergarten each receive a book to commemorate their first year at school.

Cash/cheque donations for Presentation Day would be gratefully received. Donations can also be made online at www.lightningr-c.schools.nsw.edu.au. Click on "Make a Payment" and follow the prompts to make a payment via Visa or Mastercard. Access to this option is also available via the school's Facebook page. All donations can be made either anonymously or with full public thanks.

To properly organise the awards for Presentation Day, it would be helpful if your donation could be made by 31st October 2017.

Donations may be sent to:

Lightning Ridge Central School
PO Box 294
Lightning Ridge 2834

Yours faithfully,

Kerry Adamthwaite
Principal

Please find enclosed cheque/cash for \$_____being a donation towards the 2017 Lightning Ridge Presentation Day Awards.

I/We do not mind being publicly thanked for our donation ☐
I/We wish my/our donation to be made anonymously ☐

THIS FORTNIGHT'S PBL FOCUS

Be a Respectful, Responsible and Proud
Learner by Right Place, Right Time

- Arrive at your class on time.
- Wait for your teacher's instructions before entering or leaving the classroom.
- Always ask for an OCA if you need to leave your classroom.
- Remember: "In class and ready to learn".

CANTEEN NEWSLETTER

As this will be the last Canteen newsletter for Term 4, 2017, I would like to thank all Canteen customers for another very busy year!

XMAS TREATS

Xmas treats will be available from Tuesday 12th December until sold out! They will be available to buy over counter or ordered, recess and lunch.

Xmas Chocolate brownie puddings	-	\$1.00 each!
Raspberry jelly icecream bowls		-\$1.00 each!

A reminder of treats will be placed in Canteen baskets and at the Canteen!

Please note that the Canteen will be opened until the last day of Term 4, 15th December, 2017.

I would like to wish all students and staff a very happy xmas and new year!!

Thankyou,

Susan Chapman
