Term 3, Week 2, 2019

Principal's Report

There was movement at the station. With a new term comes new faces. Mr Sundstrom who was our Stage 1 Assistant Principal has moved on to be Relieving Principal at Narrandera East and he has been replaced by Mr Brook Mison.

We also welcome Tania Kennedy who has taken up her position as Aboriginal Education Officer. Tania has come from Goodooga Central School and lives locally, so brings considerable knowledge of our school community.

Term 3 started early for staff, on Sunday 21st July, teaching and support staff undertook practical training at school in CPR and Anaphylaxis. This training meets the mandatory training requirements as determined by the NSW DOE and will help us keep your children safe. Thank You to the P&C for catering on the Staff Development Days on 21st and 22nd July.

NAIDOC Week has come and gone and many photos of what was a great week are in this edition of the newsletter. I would like to publicly acknowledge the work of Kaycee Ah Kit, Kayle Hobden and Ros Shaw. To thank everyone who made a contribution to this outstanding event would take too long but its success hinged on fantastic co-operation between school staff and the wider community. Well done and thank you to all!

Semester One Reports You should by now have received your child's Semester One Report. Many hours of work go into writing and publishing those reports so I implore you to read them, preferably with your child and discuss the teacher comments and grades. They are designed to give feedback to you and your child on their strengths and areas that require development. If you require clarification on any of the comments or grades please feel free to contact your child's teacher.

Student Feedback Last term I conducted workshops with Stages 3 to 6 and sought their responses to four questions with regard to the school. The students largely conducted themselves with great maturity and took the opportunity to express their opinions. The four questions were;

What is going well?

What could we improve?

What are the issues and ideas?

What are the questions?

This is not the most scientific way to gather student feedback but it has given me some insight into the

In response to the question; *What can we improve?*

Secondary students identified lockers for high school students as being desirable. This is not an uncommon request and I have encountered the request at previous schools at which I have taught but one of the constraints of lockers is that they need to be located in weather proof and secure locations and in many schools including this one it is almost impossible to find a location that meets these criteria in the school.

Students throughout the stages also stated that access to vending machines at school would be desirable. This one creates a myriad of challenges and I will just name a few. The food that we normally find in vending machines would not meet the requirements of the Department of Education's Healthy Canteens policy and therefore cannot be sold at school.

The vending machines would not be the property of the school, hence if they malfunctioned and swallowed your money, you would be waiting a long time for someone to drive from Dubbo to give you your money back. The P&C currently does an outstanding job running a healthy canteen, the profits of which return to the school. Needless to say students, you won't be seeing vending machines any time soon.

P&C Our P&C meets twice a term at 5:00pm on Tuesday of weeks 3 and 7. The P&C is a very important voice in the school, in addition to running the canteen and the Uniform Shop. Recent meetings have been very poorly attended and as a result the Annual General Meeting for 2019, has at this point not taken place.

It would be a great pity for the school and the wider community if the P&C folded and deprived parents and community members of a consultative voice within the school. I encourage all parents and community members to get involved. Should there be a chorum, the Annual General Meeting will take

Secondary Deputy Principal's Report

At the end of Term 2 those students who had received only positive incidents on millennium were given a special reward. There were 39 students in total who enjoyed this reward and hopefully at the end of this term the number will increase.

A blue OPAL is another way we reward students positive behaviour. If a student consistently brings their laptop, books, pens, attempts work in class and completes homework and assessment tasks they will earn a Blue Opal this will result in the school waving their laptop fee for the next term.

There have been a number of times when the school needs to contact a parent, this could be for a medical emergency or to give parents an update in regards to their child's progress. Unfortunately many times the phone number is disconnected, if you change your phone number please contact the school so it can be updated on the system.

It is very important that all students arrive on time to school, punctuality is a necessary skill that everyone should have. At Lightning Ridge Central School we aim to prepare our students for work. Punctuality is just one skill required by employers. Imagine what would happen if employees arrived late for work each day. School starts at 8:40am for Secondary and 9:00am for Primary students please ensure your children arrive on time for school each day.

The theme for Education Week (5th August to 9th August) is *Every Student, Every Voice*. To celebrate and show what our students are learning there will be a display in the windows near Khans. During this week staff will be participating in additional training in

Primary Deputy Principal's Report

Term 3 has started off with a number of changes in K-6.

Firstly, Mr Sundstrom has left LRCS to take a Relieving Principal position of Narrandera East K-2 Public School, and we wish him every success in his new school. This move left our Stage 1 class Ying:aa without a teacher, and our Kindy and Stage 1 classes without an Assistant Principal. An expression of interest to replace Mr Sundstrom was placed to our existing K-12 teachers. Mr Brook Mison was the successful applicant.

Mr Mison is a trained Primary teacher who has been working in Secondary. He comes to Stage 1 with a wealth of experience and is eagerly looking forward to leading Kindy and Stage 1 as Assistant Principal for the remainder of the year.

Secondly, we have had several new enrolments in K-6. So to our new students and their families, Welcome to Lightning Ridge Central School.

A reminder to all students and families that K-6 students need to be at school from **8:30am onward**. Students **are not supervised by any staff members prior to 8:30am**. Therefore, students arriving early are potentially a safety risk—we don't want our students being unsafe. **Please ensure your primary children arrive at School by 8:55am**

Last Thursday, some of our Stage 3 students participated in the Goodooga Games which are traditional Indigenous games played against other schools. This year, Mudgee High School students also travelled up to compete. I wonder what they thought of being in the *real* bush? Thanks to Jasna for driving the bus and Mr Britts for organising. Some Stage 3 students' recounts will be published in the next edition of the newsletter—thankyou Lilly, Ellie, Dannielle and Jaidey for writing them.

Last Friday, we had a school performance from The Meerkat group. This was a school funded performance which allows our students to experience drama performances in the bush. What a great

Positive Behaviour for Learning

Lightning Ridge Central School share a Positive Behaviour for Learning focus with our Students each fortnight. Students who show exceptional PBL values are rewarded throughout the year with excursions, special activities and treats.

Library Report

Hope you had a good time in the holidays.

At the end of last term we had a Naidoc Week colouring competition put out by Reading Australia. I scanned some entries and emailed them to Reading Australia. Although the competition hasn't announced the winning entries who will receive book prizes the fact that our kids had a go and finished the work in their own time is a good result. I encourage all students to make the most of any opportunity to participate in all that is on offer at LRCS and in our town and am pleased when this happens. I used to have a little Stage 3 assembly announcement, "Has anyone done anything amazing lately?" and I must start it again with the K-6 fortnightly Monday assembly. Celebrating effort and achievement is what we do.

I was having a chat with a student in the library and asking her if she had borrowed the book she had from the town library. It was one I hadn't seen. The student had been given this book by her sister who had travelled away in the holidays and been to a bookshop. Delightful!

The LRCS Reading Challenge for K-6 recording sheets have been given out in lessons so if your child has not got one (There were students away in some lessons) there are more in the library. Bright yellow is the colour of the Term 3 recording sheet.

The first two week's of term have been reading and responding to the book Room on our Rock in library lessons. It is being performed by the Meerkat Production company in the gym on Friday 2nd August. All K-6 students get to go. The school is funding this and it is a wonderful opportunity for our kids to see live theatre.

This book is interesting in that it can be read from front to back and then back to front and the meaning changes. Very clever! It is a book you may want to consider buying for your children.

Please ask your kids about the Meerkat Performance of Room on our Rock. It has a powerful message. They should be able to tell you lots of interesting things. Meerkat performances are performances that the kids remember for years after they have seen them.

Although Book Week is not until Week 5 I am including the information in this newsletter so you can plan and be involved and help your kids to get excited too. The theme this year is Reading is my Secret Power and as always we will have a lot of activities to interest and involve students. I hope the opportunities will be taken advantage of and that parents will also be part of this fun time. Below is the day by day activities.

Monday 19th August –Thursday 22nd August is Book Week at LRCS (Friday is the Mid Term Break)

Book Fair all week with books for sale from Collins Booksellers in Tamworth.

Monday: Placard Parade 9:10am in the junior QUAD

Tuesday: Bake a Book competition Students bring their decorated cakes to the library.

Wednesday: Oral Reading Competition finals in the library starting at 9.10am

Thursday; Colouring Competition judging. Book Fair finishes at lunchtime.

For the first week back the winners of the library Turtle Draw were:

Stage 1 Report

This term Stage 1 Dhinawan are learning to write procedures. We began by writing a procedure on how to wash our hands correctly.

Stage 5 Agriculture and Primary Industries

Stage 5 Ag students had a successful chicken Hatch using an incubator. All chickens are doing well!

Excursions for cattle work and tractor driving.

Year 11 Primary Industries students are getting plenty of practical experience fencing, propagating plants, quad bike/motor bike riding and working safely with livestock.

Secondary Studies

S5 Design and Technology

Stage 5 Design and Technology have started a new unit in coding . Students have been developing knowledge and skills in coding through the use of SPHERO robotics and GROK coding programs.

Students have almost finished their unit on Renewable Energy. They have studied Solar, Hydro and Wind Energy. Students built their own wind towers and measured the out put of energy to determine the optimum size and angle of the blades. They studied the difference between solar panels in series and a parallel circuit. They then created a list of household appliances and researched their power consumption in order to calculate the time required to recover the initial expense of installation.

NAIDOC Week Celebrations

Held from the 1st - 5th July LRCS NAIDOC WEEK celebrations were again a great success. Numerous activities were held throughout the week from face painting to lingo bingo to jonny cake making, and who can forget the Great Camp Oven Cook off or the cake decorating competition.

Celebrations started with a whole school assembly, where students, staff and community members were treated to performances from our Indigenous Boy Dancers, the Girls Aboriginal Dance Group as well as stage and year performances with Guest speakers Darryl Ferguson, Chery Rose and Rhonda Ashby.

NAIDOC Week Celebrations

At recess and lunch on Wednesday students and staff, along with a few community members, competed in the annual game of netball. A great time was had by all players.

Primary students were declared winners of their game, while the staff/community team came back to claim victory at lunchtime against the secondary students.

On Friday students, staff and community members played a game of Oz Tag on the primary oval. The primary game, played at recess was very competitive. As with the netball, the students ran away with the victory. At lunch the staff/community team took on the secondary students. After a very hard fought game the staff and community team came out on top. Better luck

NAIDOC Week Celebrations

Our NAIDOC week Camp Oven Cook Off was a great success. Thankyou to the community members and staff who created some delicious food. Also a big thankyou to Kayle and Stacey who arrived early

NAIDOC Week Celebrations

The Elders and community lunch was held on Thursday and was yet again a great success. Everyone enjoyed the lovely camp oven meals. We would also like to thank Barriekneal for their ongoing support to our school and for supplying the wonderful BBQ.

Also on Thursday the family and friends of the late Debbie Cobb attended her memorial held at the school. A plaque and photo are now proudly on display in the breakfast club room where Debbie

Nationally Consistent Collection of Data School Students with Disability

Nationally Consistent Collection of Data on School Students with Disability

Notification for Parents and Carers

All Government and non-Government schools across Australia are required to participate annually in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

All Australian schools will collect data on their students who are receiving adjustments to meet additional learning and support needs in accordance with their obligations under the *Disability Discrimination Act 1992* and *Disability Standards for Education 2005*. This data will be provided to the Australian Government to assist in the development of a consistent, national picture of the education needs of students with disability.

The data provided to the Australian Government by the NSW Department of Education and Communities is provided in such a way that it cannot be used to identify any individual student or school.

General information about the national data collection can be found on the Australian Government Department of Education and Training website at <http://education.gov.au/fact-sheets-nationally-consistent-collection-data-school-students-disability>.

Privacy Protection

The NSW Department of Education and Communities follows the requirements of the *Privacy and Personal Information Protection Act 1998* and the *Health Records and Information Privacy Act 2002*. Schools will collect, record, store and use data about individual students in line with these requirements. Data security and protection is a priority and students' personal details will be kept confidential.

Under Clause 52 of the *Commonwealth Australian Education Regulation 2013*, data collected by the NSW Department of Education and Communities for the NCCD must be provided to the Australian Government Department of Education and Training. This includes the number of students at each level of education, the number in each category of disability and the number at each level of adjustment. The information is provided to the Commonwealth as a series of number sets that cannot be used to identify any individual student or school.

The Australian Government Department of Education and Training follows the requirements of the *Commonwealth Privacy Act 1988* when handling any data provided by NSW Department of Education and Communities in connection with the national data collection. A privacy notice has been developed to by the Australian Government to provide students, parents and carers with important privacy information in relation to the data collection. This notice is available on the department's website at <http://education.gov.au/notices>
