PRINCIPAL'S REPORT

Welcome back to all of our students!

I enjoyed the grins and waves on those first days back as students passed through the Kaolin Street gates. It was great to greet them all and see their smiling faces as they entered the school grounds for the first time in 2024. Impressive was the sheer number of students in uniform. Primary looked splendid in their red shirts while secondary students were beaming in their new black and red shirts.

Much research has gone into the new uniforms with a view to making them more "washer friendly" and more comfortable on warmer days. While there is a two-year period of transition to the new uniform which means that Primary and secondary students can continue to wear the tricolour shirts, from what was seen in the first week, the transition will not take nearly that long.

If your secondary student has returned their Uniform note you will by now have been issued with two free shirts. Of course in issuing those shirts free of charge there is an expectation that your child will wear school uniform every day and that expectation extends to them wearing black shorts or slacks.

Uniform has a number of benefits, it allows staff to identify visitors more easily and it also gives students a greater sense of belonging and ownership of their school. We will be celebrating those students who wear uniform and there will be incentives for doing so.

We cannot teach our students if they are not at school. To take full advantage of the opportunities our school offers all students need to attend every day unless they are ill. Attendance is the most basic necessity for success at school so I ask that all parents and carers send their students to school every, illness notwithstanding. If your child is absent please notify the school in writing, via text or by phoning to provide a reason for their absence.

I have attached a graphic which shows how much learning time can be lost due to lateness and poor attendance. In a nutshell; attendance is compulsory.

Our school receives government funds each year so that we can staff and resource the school in a way which best supports your student's emotional, social and academic progress.

When deciding how much funding the school receives the Department of Education takes into account a range of factors and information including; location of the school and community, ethnicity of the community, socio-economic background and level of disability, among other factors. This information is provided to the Department by the school and the source of much of that information are you, the student's families.

Hence, I request that if your employment status, address and occupation has changed recently could you please visit the office and notify the school of any changes. Likewise, if you have changed residential, postal or email address or any other contact or emergency contact details, please once again notify the office. This is important so that correspondence gets to the right place and if we need to contact you.

DEPUTY PRINCIPAL'S REPORT

Welcome back to Lightning Ridge Central for 2024.

It is wonderful to see the majority of students arriving in full school uniform, especially those who are in our new uniform and on time to school. It is great to see the pride these students demonstrate in our school.

Secondary classes start at 8:40am each day, we have implemented systems for those students who arrive late to school. At LRCS our goal is to establish routines for our students and get them ready for the world of work. One very important criteria in the world of work is arriving to work on time, if staff are not on time to work they may be impacted by a reduction in pay or even suspended from work, in other words fired. Our goal is to teach our students that they need to arrive on time now they are at school so when they do leave school arriving to work on time is second nature. When students arrive late to school they are missing out on valuable information and learning activities.

We have a number of staff who have taken up new roles new staff and new staff to welcome, we are very fortunate to have them at LRCS.

- Mr Stuart Bailey - Head Teacher Wellbeing
- Ms Fran Smith - Head Teacher Secondary Studies (Rel)
- Mr Ben Peach – Mathematics teacher
- Ms Jasna Bedenikovic - working across Primary & Secondary to provide additional release. Jasna was one of our SLSO's who has now transitioned into the teaching role.
- Ms Julia Moore – PDHPE and release
- Ms Pippa Warman - working across Primary to provide additional release.
- Mrs Jacqui Bourne – Stage 2 teacher
- Mr Chris Hewitt – Stage 3 teacher

Our new staff have quickly settled into Lightning Ridge Central School and they are getting to know our students. They will be involved in completing an induction program which will involve them visiting the Land Council, Barriekneal and the other significant sites around town, this will provide them with a cultural immersion experience.

The long distance swimming for those students who opted into the event was held on Wednesday 14th February. Students as usual displayed great house support for our sporting teams.

The very successful whole school swimming carnival held last week was a fantastic event in which many of our students displayed their swimming skills and awesome sportsmanship. Many thanks to Ms Messner and Mr Ellery for their organisation which enabled the smooth running on the day. House spirit was shown by the loud war cries and students and some staff dressing in their house colours. Thank you to all the parents who came along to support their children.

The YONDR program continues into 2024, this supports the NSW Governments policy of no mobile phones in schools. All secondary students will be issued with new YONDR pouches shortly. The use of the YONDR pouches has already had an impact on our students learning. Staff are spending less time on directing students away from their devices and more time on teaching, students are able to be more engaged in their learning. The difference in the playground is noticeable with students more engaged in conversation and playing sport than trying to use their phones. Parents MUST contact the front office if they need a message be passed onto their child.

At times some parents have messaged or called their child whilst they are in class this results in the disruption of the entire class and may result in severe consequences for the student.

A Meet & Greet was held on Tuesday 20th, this was a wonderful opportunity for teachers and parent to meet in an informal setting, a sausage sizzle was made available thanks to the P&C.

ASSISTANT PRINCIPAL'S REPORT

Welcome to Term 1, 2024!

When I walk around the school, I see students hard at work and settled. We are excited to welcome our new primary staff, Ms Jacqueline Bourne, Mr Chris Hewitt, Ms Jillian Gates and Miss Pippa Warman to Lightning Ridge Central School. All teachers bring a wealth of experience to enlighten and educate our lucky students.

Our class structure for 2024 is as follows:

- **KJ** - Miss Richardson
- **K1P** - Miss Bird
- **S1D** - Miss Clark (K-2 Assistant Principal)
- **S1Y** - Mr Ellery
- **MCP** - Ms Loder
- **MCM** - Ms Gates
- **S2F** - Miss Duncan
- **S2O** - Ms Bourne
- **S2H** - Mrs Cross (3-6 Assistant Principal) and Zoe Treweeke (Tue, Wed)
- **S3C** - Miss Molynuex
- **S3B** - Mr Hewitt
- **S3N** - Mr Russo (AP)
- **Library** - Mrs Barclay
- **Music** - Mrs Jarvis
- **TRS** - Miss Warman
- **Assistant Principal Curriculum Instruction** - Mr Israel Rogers
- **Assistant Principal** - Ms Adrienne Fox is based in the Check In Check Out (CICO) room. This room has been established to assist and support students to develop strategies to self-regulate.

Please contact your child's teacher to discuss if you have any questions or concerns.

Hats – All primary students have been provided with a red school hat. The design was selected with sun safety in mind. We ask that students do not bring peaked caps to school and if they do, these hats are to remain in their bags during school hours. We thank these students for respectfully following our rules. The hats are washed regularly, if your child has gotten headlice can you please contact the school so we can arrange for another wash of the hats. If a student is not wearing their hat they will have to play under the cola. If a student loses their hat and we have had an extensive search, parents will be asked to purchase a new one for \$5. Thank you to the school P&C for purchasing everyone a hat.

Congratulations to our Primary House Captains:

Reece - Bella Pavy and Ruby Rowland

Bruce - Luke Carpenter and June Langmead

Bodell - Bree Pacey and Jacob McGovern

Afternoon procedure - All students join the appropriate line at 2.57pm and are led to their destination – bus, Brilliant St gate or Kaolin St gate (gate closest to the pedestrian crossing). Kindergarten students will be led to the gate at 2:50pm.

Kindergarten

Our Kindergarten students enjoyed their first day of school on Monday 12th February. Miss Richardson & Miss Bird are very proud of how well kindly have settled into school and how quickly they are learning. There is a lot to learn, both academically and socially but everyone is picking up the routines very quickly and working very hard in class!

Stage 3

S3C have had a fantastic start to the year! We have spent the last week participating in a variety of fun activities to help us settle in and get to know each other a bit better. We are looking forward to a busy term filled with sports, games and lots of exciting learning opportunities.

Long Distance Swimming Carnival

It was all smiles and ribbons at our long distance swimming carnival. Huge shout out to all our amazing swimmers and also Miss Messner's PASS class who did a fantastic job time keeping.

Congratulations to all our competitors on a successful day!

Secondary Studies

Year 11 Primary Industries

This Term for Primary Industries Year 11 are developing their knowledge in work health and safety processes. Students are developing their understanding of WHS compliance, participation and consultation, as well as differing workplace policies, procedures and practices to ensure safety of workers. This week we have looked into the different PPE available to help minimise risks.

Year 12 Primary Industries

This Term, Year 12 Primary Industries are covering the unit of Chemicals. Students are developing their knowledge and understanding in applying chemicals, mixing chemicals, checking and maintaining equipment, transporting, storing and disposing of chemicals. This week students are developing their understanding in reading chemical labels and SDS (Safety Data Sheet) requirements.

Stage 5 Agriculture

This year we are starting off with the topic Aquaponics. Students are learning about the importance of Aquaculture in Australia as well as identifying the main three species found in Australia. Importantly, students are learning the 'ins' and 'outs' of our Aquaponics system here at school and how to maintain the equipment.

Year 12 Students

The Year 12 students kicked off the fundraising effort for their end of year Formal.

I was extremely proud of the efforts of the students who attended and raised \$763.30, I look forward to continuing these efforts throughout the year. I encourage all Year 12 students to make an effort to help in this effort in the future.

Yuwaalaraay is the dialect of the Lightning Ridge area. The name of the language and Aboriginal people of the Balonne River Region.

New Teachers @ LRCS

Ms Bedenikovic

Substitute Teacher

I grew up in Lightning Ridge and completed my primary schooling at LRCS, then moved to the east coast of NSW until returning home in 1998 to raise my family and finish my studies.

I am very excited about finally becoming a teacher and being able to help support our community and encourage our future leaders.

A bit about me!

Favourite colour: Blue & Green

Favourite animal: Most animals

Favourite drink: Water

Favourite subject: Science & History

Fun fact about me...

- I love to play the clarinet
- I have 5 children (1 set of triplet girls and 2 boys)
- My son plays for the U19 Waratahs Super Rugby Series

Mr Peach
